

Alumni Relations

If you graduated from SIAST or any of the other previous institutions that make up the new Saskatchewan Polytechnic, you are a part of our alumni family.

Saskatchewan Polytechnic Alumni Relations office began operations in 2010 to develop alumni programs and initiate outreach to members. The Alumni Relations office helps alumni stay in touch with Saskatchewan Polytechnic and with each other.

You are alumni if you have graduated from Saskatchewan Polytechnic certificate (including applied, advanced, or variations thereof), diploma, or degree programs, completed your apprenticeship training or Adult Basic Education 10 or 12 at Saskatchewan Polytechnic, or retired from employment at Saskatchewan Polytechnic. If you graduated, trained or worked at an institution that preceded Saskatchewan Polytechnic, you are encouraged to register as an alumnus too. These Saskatchewan Polytechnic predecessors include:

- Advanced Technology Training Centre (Saskatoon)
- Coteau Range Community College
- Kelsey Institute of Applied Arts and Sciences (KIAAS)
- Meadow Lake Vocational Training Centre
- Northern Institute of Technology (NIT)
- Prince Albert Regional Community College
- Regina Plains Community College (RPCC)
- Saskatchewan Institute of Applied Arts and Sciences (SIAAS)
- Saskatchewan Institute of Applied Science and Technology (SIAST) including Kelsey, Palliser, Wascana, and Woodland campuses
- Saskatchewan Technical Institute (STI)
- Saskatoon Region Community College
- Wascana Institute of Applied Arts and Sciences (WIAAS)
